

SKIN CLEARING & CALMING SERUM WITH ANTI-AGING BENEFITS

A potent, yet gentle approach to maintaining clear, calm, brighter skin, while reaping beautiful anti-aging benefits. A new daily essential to incorporate in a daily serum routine to treat and prevent breakouts resulting from maskne, stress & hormonal related breakouts and pore congestion.

This lightweight serum effectively clears and soothes the complexion while restoring hydration and accelerating cellular turnover for firmer, smoother skin texture. Niacinamide and Wintergreen Extract (the first 100% natural form of Salicylic Acid) work together to treat and prevent breakouts, minimize pores and calm and even skin tone. An advanced hyaluronic-retinol complex is the first of its kind, by being bound to hyaluronic acid, it is water soluble safe on skin and non-irritating (safe to use AM) to support skin clarifying benefits, provides visibly firmer skin and reduced appearance of wrinkles and fine lines. A soothing cucumber scent enhances the overall self-care experience for truly relaxing and reparative treatment.

WHO IT'S FOR

All skin types/ages, including sensitive skin.

APPLY SIMPLY

Apply to cleansed, exfoliated skin morning and night, as the first step in your serum routine daily as needed (AM/PM). Follow with moisturizer. Pro-tip! Maximize results by layering serums.

EVER CONSCIOUS

Clean beauty rooted in nature, cultivated by science.™ Curating the right combination of clean ingredients to deliver on our performance promise. Providing full transparency into our formulas to give you the power of choice.

WHY IT WORKS

Wintergreen Leaf Extract - 100% natural, powerful cellular regenerator based on salicylic acid. The purifying action of salicylic acid cleanses the skin of its excess sebum and the bacteria responsible for blemishes and inflammations. The exfoliating action stimulates the cellular renewal of dull and irregular skin for a radiant complexion.

Niacinamide - Improves uneven skin tone, brightens, visibly minimizes pores. Increases ceramide levels in the skin, stimulating micro-circulation and improving the skin barrier function to prevent loss of hydration.

Hy/Retin, an ester of hyaluronic and retinoic acid combines the effects of two anti-aging ingredients, in a form that penetrates deep into the skin and remains safe without irritation. Retinol acts as an anti-inflammatory and clears acne, while accelerating cellular turnover and enhancing collagen synthesis. Hyaluronic acid allows a gentle, deeper and more stable ingredient delivery.

3% Aquacell is a blend of Apple, Watermelon, and Lentin extracts.
