

COMPLEXION PERFECTING MOISTURIZER

A true multi-benefit moisturizer that delivers an instantly glowing, smoothed complexion while replenishing skin's hydration and supporting the skin's protective moisture barrier.

This richly hydrating, yet lightweight daytime moisturizer is formulated with Vitamin C, Ceramides, Niacinamide and Rosewater to hydrate, even skin tone, minimize pores and boost glow for a radiant, smoothed complexion.

A beautiful skin perfecting and protecting finishing step to every AM skincare routine.

WHO IT'S FOR

Suitable for all skin types. Designed to specifically address fine lines and wrinkles, dark spots, dullness, redness and uneven texture.

APPLY SIMPLY

Apply in the morning daily to clean, exfoliated skin following serum treatments. Using upward circular motions, apply to face, neck and décolleté.

PAIR IT WITH

As part of a morning skincare routine, pair FLAWLESS as the moisturizer in EVER's Daily Vitamin C Glow Facial, a five-star daily routine, which includes EVER's top three best-selling products.

WHY IT WORKS

INGREDIENTS:

- VITAMIN C - 2% Tetrahexyldecyl Ascorbate, a form of Vitamin C with superior stability, works to brighten complexion, fade dark spots and boost skin's protection against UV A/B rays and free radicals.
- HYALURONIC ACID - boosts skin's hydration and plumps and fills fine lines and wrinkles.
- CERAMIDES - Rich in omega 3, 6 and 9, boost skin's firmness and elasticity and overall hydration through their ability to support skin's ability to retain moisture, strengthen the skin's cutaneous barrier and promote synthesis of collagen. Pores are tightened, and skin texture is visibly smoothed.
- NIACINAMIDE - Evens skin tone and texture, and helps minimize pores for an overall smoothed, even appearance.
- ROSEWATER - Hydrates and soothes, using its anti-inflammatory properties to help reduce redness or a balanced complexion.
